# COMMUNITY SCAVENGER HUNT

## What is the Child Abuse Prevention Month Community Scavenger Hunt?

It has been a *hard* two years. COVID-19 has limited what families can do or where they can go, but we hope this won't stop you from spending quality time together. The Child Abuse Prevention Month Community Scavenger Hunt will lead your family to resources and encourage conversations that will help you learn more about each other! Each clue will take you to a physical location, a website or encourage a family activity. The more clues you "find," the more likely it will be that you will win a prize!

If you are a service provider, you can encourage the families you serve to use the scavenger hunt not only to identify resources, but also as a family bonding activity.

## How should I deliver my "proof?"

After you accomplish a task, snap a photo! If you are at a physical location, take a family selfie in front of it. If you visit a website or download a resource, take a screenshot. During an activity, take a photo of your family while you spend that time together. If going to a physical location right now is not comfortable or realistic for your family, please feel free to visit the corresponding website instead. **Screenshots are acceptable proof of accomplishment!** After you complete the desired amount of tasks, send proof photos to [pcaky@pcaky.org](mailto:pcaky@pcaky.org). We would love to follow along! Post photos on social media using the hashtag [#CAPMScavHunt22](https://twitter.com/CAPMScavHunt22).

## How do I win?

Each time you accomplish a task, take a photo or screenshot for proof. After emailing your proof photos to [pcaky@pcaky.org](mailto:pcaky@pcaky.org), including your full name and phone number, your name will be entered into a drawing. Depending on how many clues your family has accomplished, your name may go in once, twice, three or four times. During the first week of May, Prevent Child Abuse Kentucky will draw the names of winners.

## What are the prizes?

During the first week of May, Prevent Child Abuse Kentucky will draw the names of the Child Abuse Prevention Month Community Scavenger Hunt winners. If you complete 3 of the 12 clues, your name will go in one time. If you complete 6 of the 12 clues, your name will go in twice. If you complete all 12 clues, your name will be entered 3 times. Additionally, complete the two bonus clues for an additional 2 entries! All winners will be alerted via email and announced on social media.

✿ **First Place Winner = \$200 VISA Gift Card**

✿ **Second Place Winner = \$100 VISA Gift Card**

✿ **Third Place Winner = \$75 VISA Gift Card**

**Email proof photos and a contact phone number to [pcaky@pcaky.org](mailto:pcaky@pcaky.org)**
