The rest of our team is comprised of seasoned and new staff who value diversity, integrity, and professionalism. We are known for the blue-and-silver pinwheels during Child Abuse Prevention Month, and our annual KIDS ARE WORTH IT! Conference-Kentucky's largest event focused on child abuse prevention education. We also train more than 3,500 people a year on how to prevent child abuse and neglect. We are a small, but mighty non-profit, with nine staff and a volunteer Board of Directors at 21 members.

The Position:

The person who joins our team will be able to:

- Enhance donor outreach and awareness through new and existing engagement strategies
- Oversee all facets of the annual golf scramble and other events to grow agency revenue
- Conduct prospect identification and donor cultivation for sponsorship of agency events and general funding
- Network with individuals, groups, and associations
- This is just a sampling of the fun revenue-producing projects you'll be working on!

This is a full-time salaried position with a range of \$38,000 to \$53,000. We've been told our benefit package is pretty sweet! Benefits include health and dental insurance, a 401(k) plan and generous holiday, vacation and sick leave.

The Location:

While the successful applicant will be out and about engaging the community, this is an on-location position located in Lexington, KY.

Why Should You Apply?

- Opportunity to work independently, but also be part of a small team
- Our mission of preventing the abuse and neglect of Kentucky's children is second-to-none!
- If you like to look at existing strategies and make them better or create something from scratch and see the fruits of your efforts, then this job may be a great fit for you.
